Calvin Christian School

STUDENT DRESS CODE

The school's standard of dress code may be different than any one parent or student's level of acceptance. The CCS dress code serves to provide guidance for you as parents as you determine what your child should wear at CCS. The CCS dress code also establishes guidelines which we respectfully ask you to follow.

Clothing worn at CCS must be tasteful in appearance, suitable for school activities and weather. Student dress should be clean, neat, and modest, reflect simplicity and promote Christian values. Clothing should reflect that students are in a Christian learning environment. Students using our services for the purposes of transportation to or from HDCH are expected to be wearing their HDCH uniform while on the CCS bus. Enforcement of the dress code will be at the school's discretion and students wearing inappropriate clothing may be asked to change (i.e. gym shirt to be worn instead).
