

A note from the teachers' desk

I hope that your family enjoyed this past weekend as we celebrated Easter, the death and resurrection of our Saviour. We are reminded of how much our Father loves and cares for us through this gift. I pray that as we continue our year in grade 1 each student may know that they are loved by God.

This Friday students will once again come home with their supplies and materials more as a preventative measure in case we move to Learning from Home after the spring break. Please leave this package sealed and return it if it is not needed.

Autism Awareness Day

Please note that this day has been moved to a date after the spring break. I will be sure to communicate once more information is provided.

Safety Unit

We will be continuing with our Safety Unit this week. Students are usually very interested to learn about safety, but it may also cause some children to feel a little worried about potential dangers and situations. Please let me know if your child experiences any anxiety around the topics covered in this unit. Thank you!

Neighbour 2 Neighbour

The month of April is grade 1's opportunity to bring in items for N2N. Our goal as a grade 1A class is to bring in 60 items (4 items each) at the end of the month.

CCS Scholastic Book Fair

It is the final week of the school's Book Fair. A reminder that Wednesday is an opportunity for you to get free shipping on your orders.

Spring Play

A reminder to ensure there is a pair of socks in your child's bag for those wet days. Also this week we will be on the senior soccer field so Bae Blades will be allowed.

But Ruth replied, "Don't urge me to leave you or to turn back from you. Where you go I will go, and where you stay I will stay. Your people will be my people and your God my God."
