As a Concert Band Member, your child is needed at this concert. When choosing the concert band, I considered the balance of instruments so each member contributes to a great sound. Please let me know what your intentions are: sign the bottom of this paper so I know if you will be at the performance. Thank you. Please encourage your child to practice these pieces often so we can prepare well for the concert.

If you are attending the concert, I ask that you stay for the entire program. The concert begins at 7:45 and is usually over by 9:00. If you have any questions or concerns, please speak with me at school, or email me at: [mheeg@ccshamilton.ca](mailto:mheeg@ccshamilton.ca). I am also at the school every day so you can leave a message for me at the office and I will do my best to call you as soon as possible.

Your child has worked hard and the concert band is sounding great, I look forward to seeing you at the concert.

Sincerely,

Mrs. Marsha Heeg
